Dear Mr. Knox:

On 5 April 2019, the office of the Information and Privacy Coordinator received your 4 April 2019 correspondence requesting records under the Freedom of Information Act. This is a quick acknowledgement to advise you that we received your request. Specifically, your request is **for the following records:**

A copy of all memos, communications, and official schedules mentioning Pedro Carmona, who briefly served as the Venezuelan President after a coup in September, 2002. Please limit the scope of your search to those files created between the years 1999 and 2003. Specifically, you would like a copy of documents or communications mentioning both Otto Reich and Pedro Carmona.

Your request was assigned the reference number above. Please use this number when corresponding so that we can identify it easily.

Our officers will review and process your request in more detail and will only communicate to you if they should encounter any problems or if they cannot begin the search without additional information or clarification. We will search for CIA-originated records up to and including the date the Agency starts its search.

Sincerely,

A handwritten signature in black ink, appearing to read "Riggs Monfort".
